DEDICATION

The Class of 1970 has unanimously voted to dedicate this year's annual to a man who has unstintingly dedicated his time and talent to the furtherance of our own educations. His casual demeanor, ready wit, and highest dedication to the principles of learning have contributed greatly to our development for the last four years. Therefore, we fondly dedicate this, the 1970 Sword & Shield, to

THE RIGHT REVEREND
FRANCIS ERIC BLOY
BISHOP OF LOS ANGELES

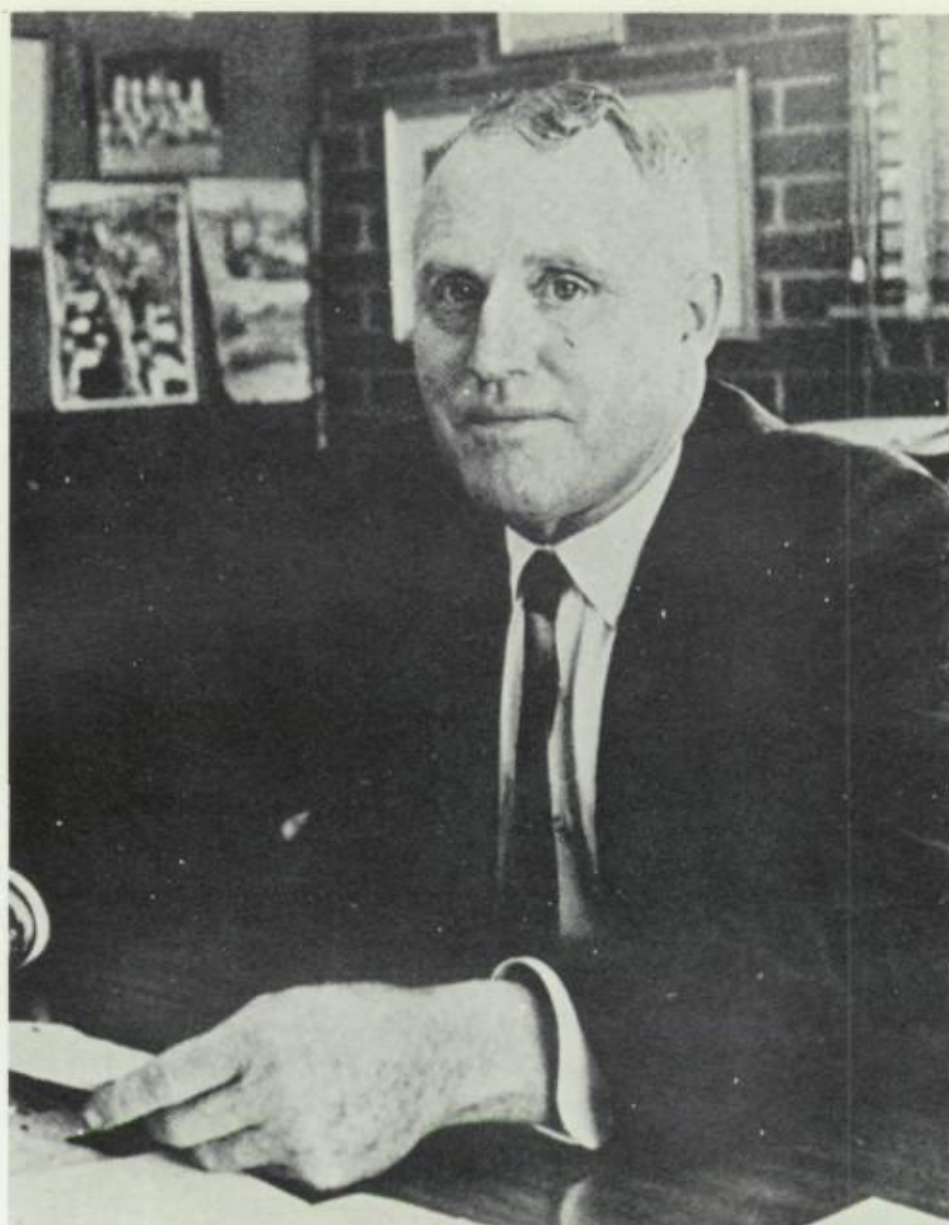

I extend to the members of the graduating class of San Miguel my sincere congratulations and best wishes for the future. As all of you go on to higher fields of education or endeavor, the thoughts and prayers of the Church go with you. This is a turbulent age of evolution, unrest, and change, but it is also an exciting and challenging age in which each one of you will play an important part. Give it your best, and may God bless you with courage, imagination and insight.

Faithfully yours,

Francis Eric Bloy

MR. B. R. HAZARD
CHAIRMAN OF THE
BOARD OF TRUSTEES

To the Graduating Class of San Miguel:

The Board of Trustees joins me in congratulating you on completing your high school education at San Miguel.

We have enjoyed having you as students and know that the background gained at San Miguel will stand you in good stead in your future life . . . in college and, following that, in the occupation you select.

We sincerely wish you are recipients all of rich rewards in your future lives, because opportunities still abound in this country.

In your travels, we hope you will carry the banner for San Miguel so other young men will be cognizant of San Miguel.

Best Wishes,

A large, stylized handwritten signature in dark ink, likely belonging to B. R. Hazard. The signature is fluid and cursive, with the first letter being particularly large and ornate.

Chairman of the Board
of Trustees

THE REVEREND
CHARLES A. PARMITER, JR.

Congratulations to the Class of 1970.

You are now moving out into a larger world, full of challenge and upset by the questioning of values. During a time like this it is essential to hold onto the eternal truths while change is taking place in the mores of the day.

There are absolutes in life, things we cannot violate without destroying life itself. This is God's world and in it we have responsibilities to Him as the highest God. These duties include family, church, school, vocation, and respect for ourselves. The only basis for brotherhood is that we are created in the image of God. The only reason for morality is that we owe others as much as we owe ourselves. The only cause for respect of ourselves is that we are God's sons.

We pray that you will think through your standards to logical conclusions and will not be at the mercy of every fad and experiment in these basic matters. May God be with you and may you worship and love Him.

The Reverend

This year the Student Council tried to dispel the traditional spirit of "do-nothingness" which has prevailed in the upper school for several years. The Council championed many reforms, notably senior privileges and student government. To their fighting spirit, their never-say-die attitude, this page is humbly dedicated.

What began as a very discouraging year for San Miguel, ended up on a happy note for the Knights. The season record was two wins and five losses. However, considering that the Knights were young and playing most of the season without Bill Brown, out with a broken thumb, and Win Western, who was not eligible until the league games, we fared quite well.

Perhaps a little luck could have changed the season. Al Sander had a great year and made the All-League Team along with Western and Roger Abbott.

During the middle of the season, Coach Kobilarcsik changed the whole offense and defense, and this caused the team to get fired-up, resulting in harder hitting and better offense.

Having played many underclassmen and with a strong J.V. team, Coach Kobilarcsik feels that San Miguel will be very tough in another year or two. This was definitely a rebuilding year.

Lead by the hard running of backs, John Staver and Scott Womack, the brilliant quarterbacking of Bob Burnier, and a savage defense anchored by Brad Pierose, Bob Burke, Richard Fowler and Ralph Binkley, the 1969 San Miguel JVs rolled this year to the school's most successful season ever. They ended the season winning four games and losing only to Country Day and the Francis Parker Varsity.

Outstanding team unity and spirit provided the catalyst for a great season highlighted by excellent individual records. With many of these fine young players headed for next year's varsity, San Miguel football fortunes are certainly on the rise.

CROSS COUNTRY

Front Row: Ramon Eastham, Jeff Moore, Larry Jones, Robert Fleischaker, Dixon Keller, Gerry Howe and Coach Sutherland. The cheering section: Robert Epstein, Al Sander, Steve Menas, and Michael Brown.

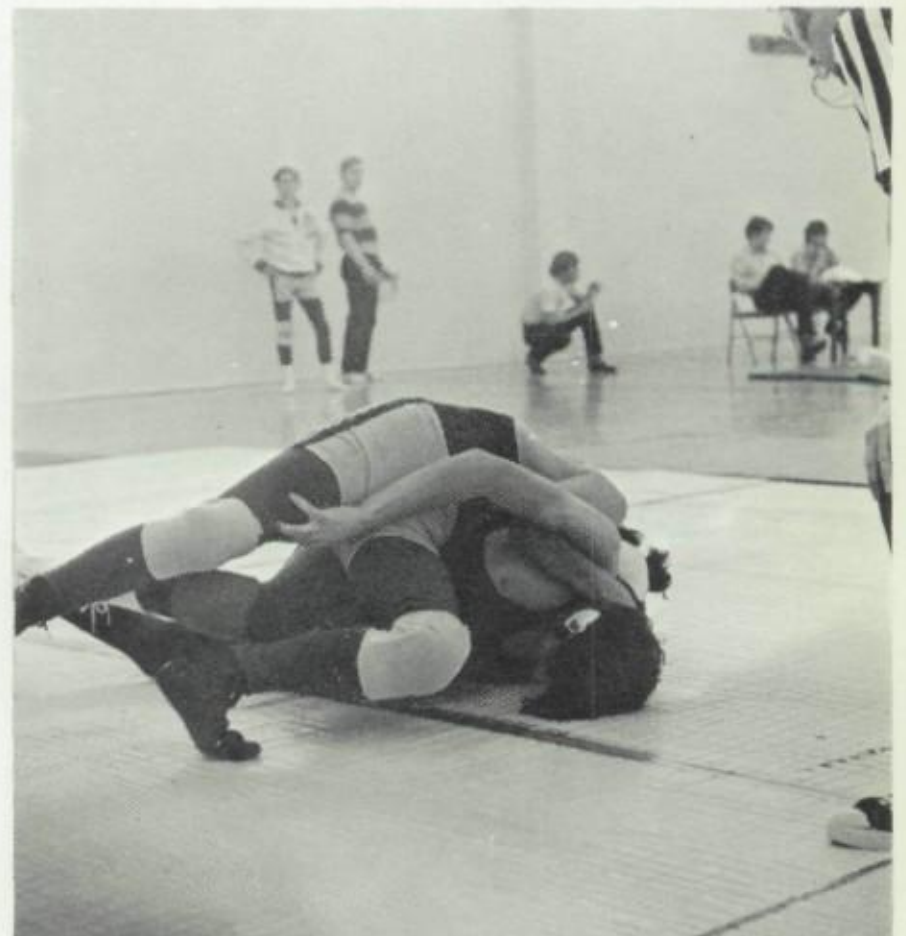

Not having SM's former year's pace-setter, Pat Crosley, this year's team found competition very difficult. Credit is due though to four consistent runners. They are: Jones, Fleischaker, Eastham and Bleeker. If more good runners had showed up during the season, San Miguel's Cross Country team would have had done better.

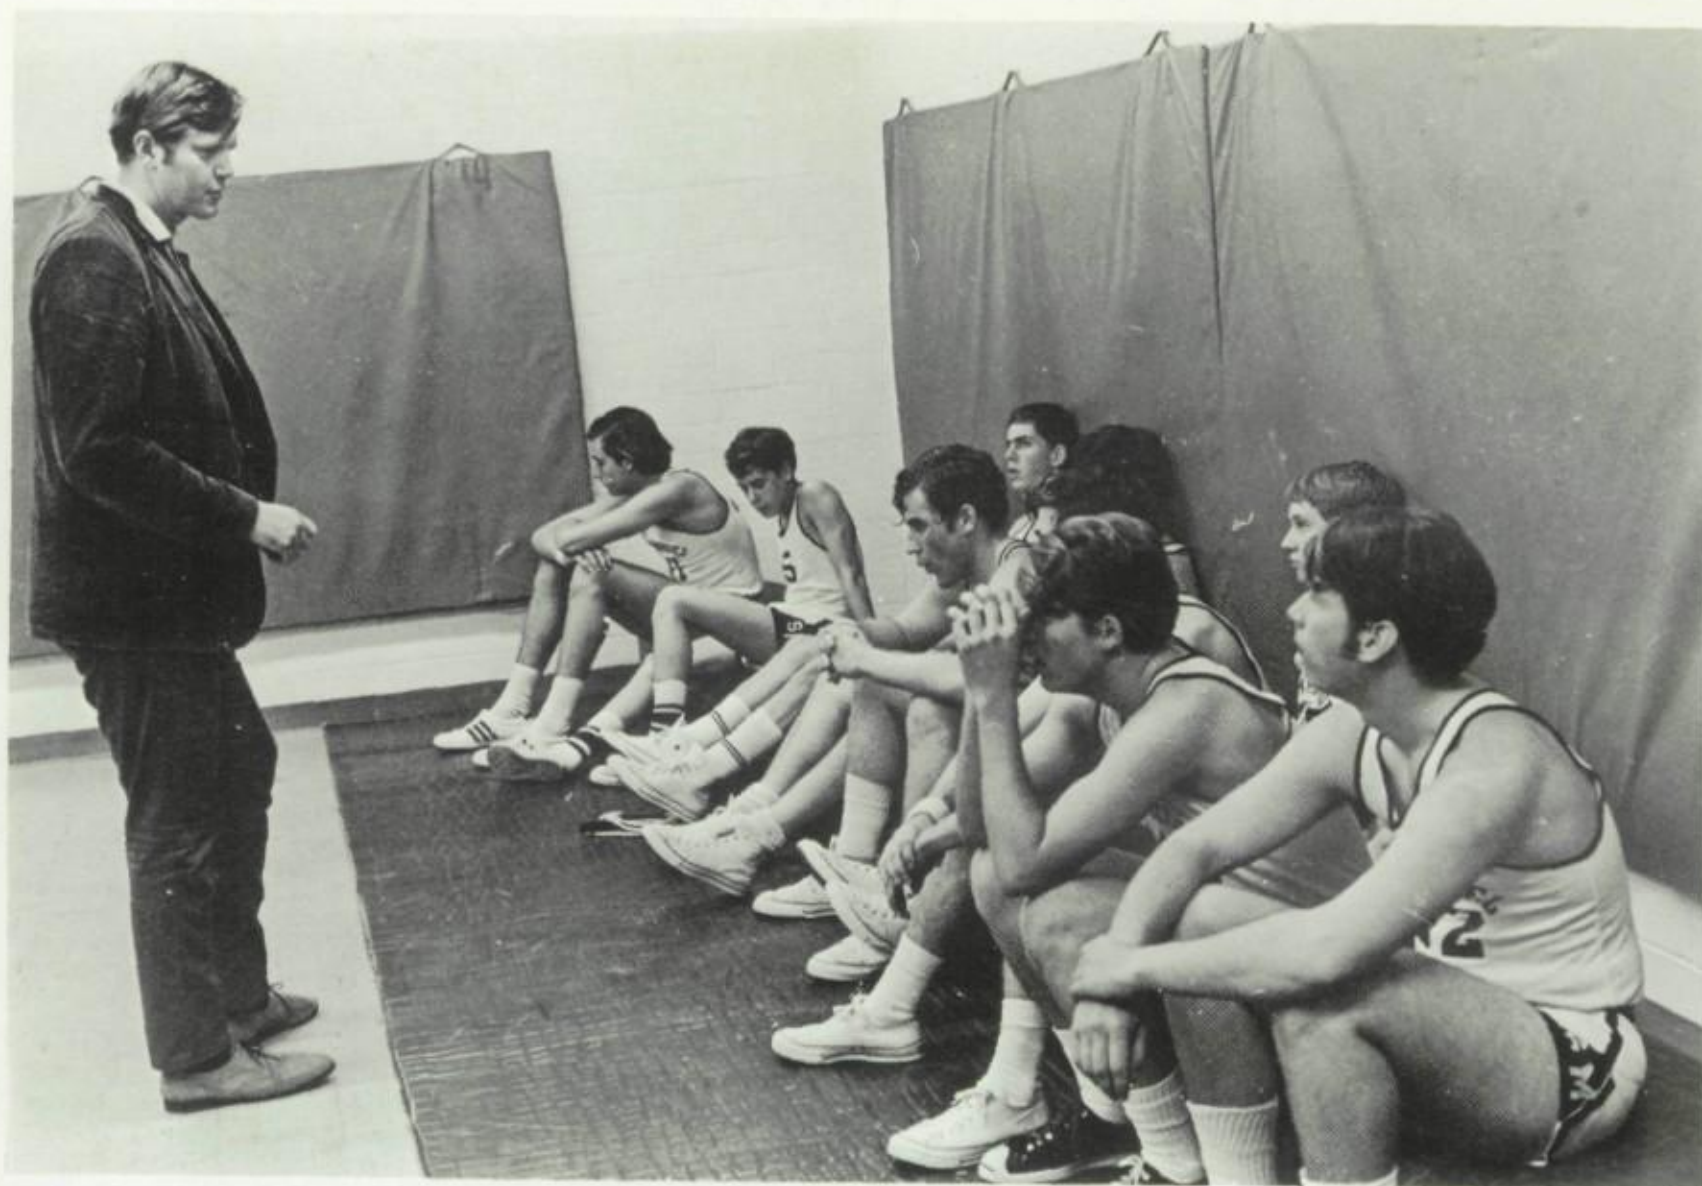

WRESTLING

Front Row: Louis Shanks, Don Butler, J. R. Becker, Devon Osborne. Second Row: Coach Hight, Paul Jarrett, Coach Nelson. Not Shown: Ramon Eastham.

Many factors worked against this year's wrestling team. The most important was the lack of school spirit in the sport. Because of this, there was a lack of wrestlers to make up a full team and thus, prevented them from winning any matches. The team put up good competition against much larger teams and came very near tying that of Rancho del Campo. We regret not having shown Ramon Eastham, elected by the team as Most Valuable Wrestler.

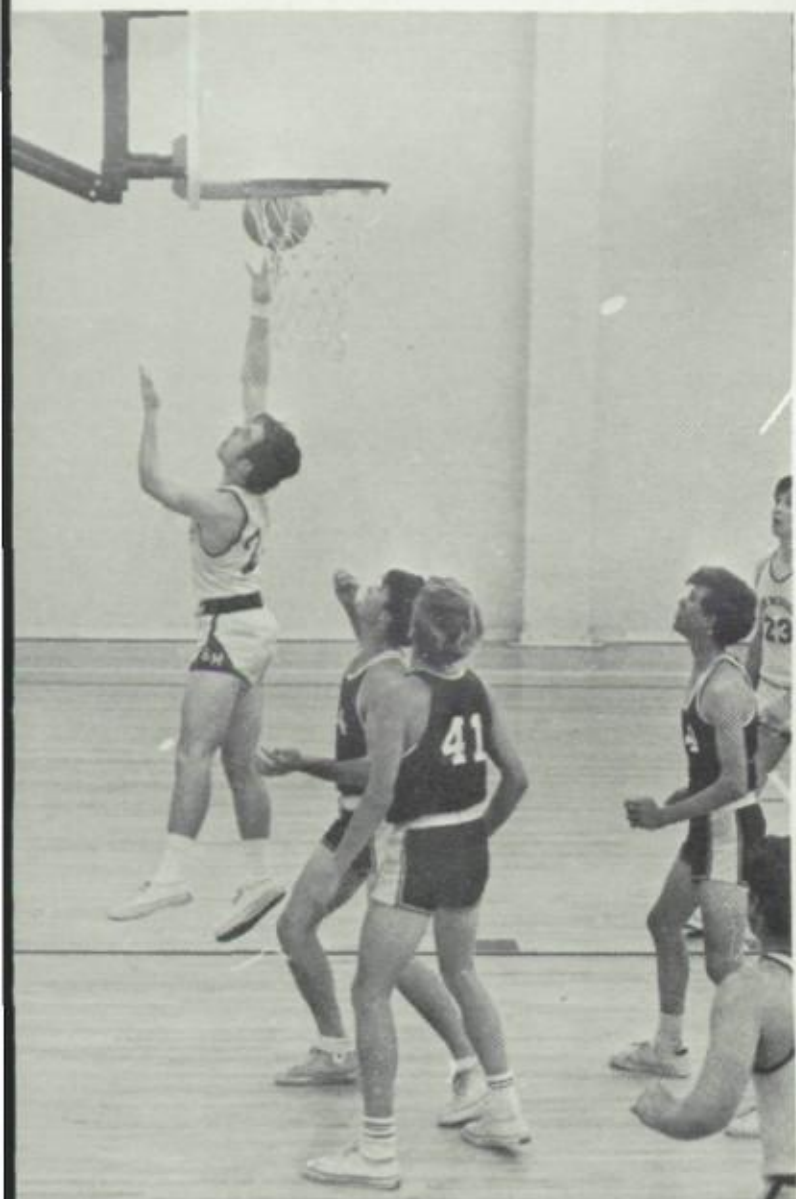

Coach Williamson, Steve Dente, Mike White, David Tatman, Dave Brecklin, Win Western, Al Sander, Roger Abbott, Bob Scott, Bill Gaillard.

VARSIY BASKETBALL

The 1969-70 Varsity Basketball team started slow, but showed steady improvement as the season progressed. A great deal of the credit should go to Win Western and Mike White who joined for the league season. The team ended the season in second place, just missing first place when they lost to Army-Navy Academy in the last four seconds by one point.

The coaches of the Southern League named Win Western and Al Sander to the All-League team. Roger Abbott also received Honorable Mention. Finally the League named Al Sander as its Most Valuable Player.

Front Row: Coach Kearney, Chris Pierangelo, Rick Fowler, Craig Roalf, Bob Burnier, Fred Van Etten, Mgr. Harker. Second Row: John Staver, Richard Fulton, Steve Beary, Bob Burke, Art Johnson, Dirk Allen.

It was a very rewarding year for the Junior Varsity Basketball and their coach, Mr. Terry Kearney. As the Knights compiled an imposing 18 and 3 season, overall, and a 9 and 1 season in league play, they won first place in league play.

This year's starting five were: "Red" Fowler and Bob Burnier as guards, Fred Van Etten and Art Johnson as forwards, and big Bob Burke as center. Handing the team its only loss in league play, was a lucky La Jolla Country Day. Plagued by missed shots and missed rebounds, the Knights lost by only one point! However in championship game, played on the home court, the Knights showed everyone what true champions they were, by beating Country Day by twenty points.

We are happy to say, that these fine players will return next year, on the Varsity team, and we will have a great season. With players like Burke and Van Etten, it seems an unlikely thing that we can lose next year.

This year SM's soccer team did something unprecedented in the history of sport. Due largely to the efforts of Coach Sam Monneh, they won the league championship, coming back from a 1-15-2 record of the previous seasons. The leading scorers were Jerry Toliver, the most valuable player; Roberto Arvisu, and Sergio Ruffo. They were backed by an excellent defense, notably Andrew Firestone, the most improved player; John Carey, Bob Epsten, and team captain, George Rutherford. Last but not least, was Chumley Rutherford, the goalie.

With the season just beginning with the writing of this article, Coach Kobilarcsik feels that this could be a very surprising year for the Knights. Basically a young team that is starting seven underclassmen, the Knights are receiving great help and leadership from Seniors Rick Ammon and Brian Gronnebeck, and have shown much promise.

There are four pitchers, all underclassmen, who could show the rest of the league that San Miguel still has great baseball. Playing without the services of All-league players Al Sander and Win Western, who have decided to take this baseball season off, the young Knights are confident of having a winning season.

Mark Sager, Jon Glinski, Gilbert Barnes, Steven Winters, David Brechlin, Brian McNicholas, George Rutherford, John Carey, Coach Power.

SWIMMING

This year's swimming team is looking forward to a good season under the excellent guidance of Coach Power. At press time the team was 0 and 3, but there is anticipation for a better record by the end of the season. Prospects are high for the continued excellence of Brian McNicholas and Mark Sager.

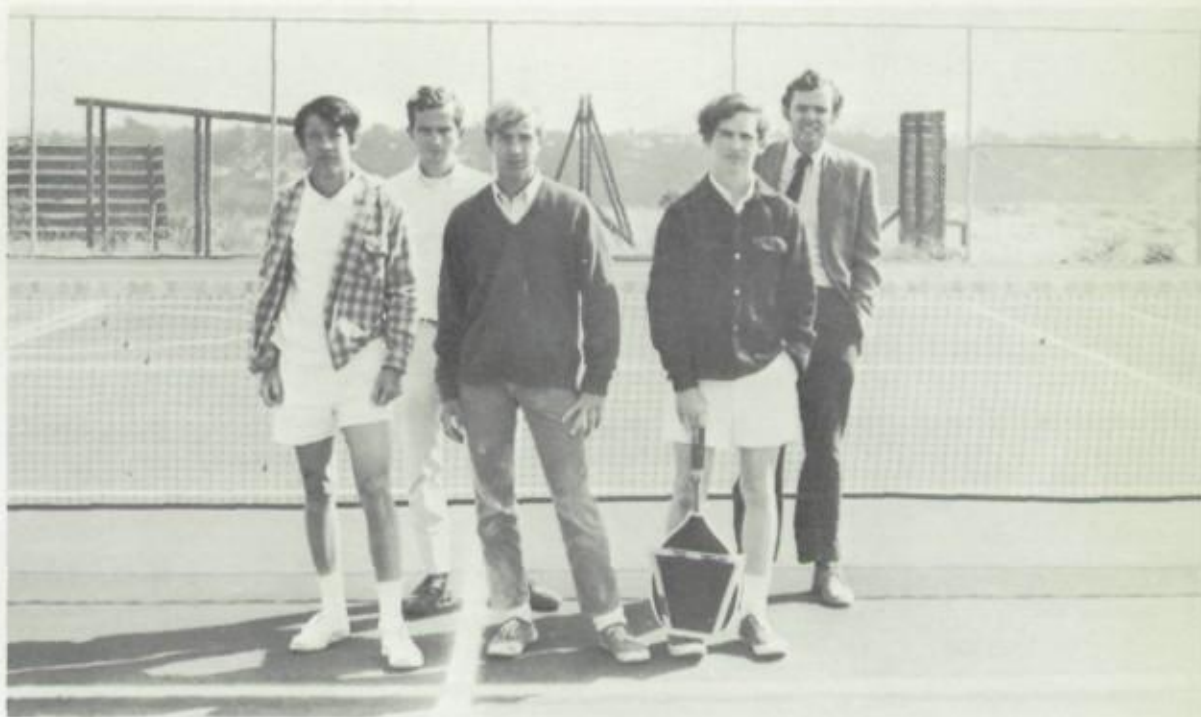

Robert Jellison, Bob Burke, Larry Lones, Gerry Toliver, Bill Goodman, Webster Jackson, Warren Coleman, Jim White, Scott Womack, Bob Scott, Sean Gill, Roger Abbott, Bill Brown, Win Western.

TRACK

With the excellent running of Webster Jackson, Andrew Firestone, Gerald Toliver, and the shot putting of Win Western, to mention a few; this year's team is looking for a good season under the coaching of Commander Sutherland and Jim Hight. There is an added hope in the new blood brought into the team with the addition of several potentially good track and field participants.

TENNIS

Due to the early publication of this annual, we were unable to summarize the results of the team's season. However, the prospects look good with such talents as the Rutherfords and Bob Burnier.

Sergio Ruffo, Warren Coleman, Bob Burnier, Todd Negley, Coach Nelson; Not Shown, George Rutherford, Timothy Rutherford, Gilbert Barnes, and John Carey.

GOLF

With the returning lettermen, Jim Summers and Andrew Firestone, there is a definite upswing visible in the year's Golf team. With the usual supervision of M. Ali Abayachi, we expect to have a championship team.
